PhD, MBA, M.Com., PGDPM, PGDFM,
PGDCA, IFDP (IIM), LLB

Children are the architect of future. Their boundless energies need to be supervised and moulded in the right direction with the highest effort ever made.

I think this glorious task can be best executed by the teachers, who are at the helm steering the ship of the Pupils destiny towards, commendable zenith. Besides imparting quality education, an empathetic approach is also our tradition. My heart fills with pride and immense pleasure when I see my pupils procuring quality education and becoming creative, innovative through the utmost skills.

My heartfelt wishes are always with my scholar pupils. May Almighty owner shower all the blessings of heaven upon them.

DR. ANJU PRINCIPAL

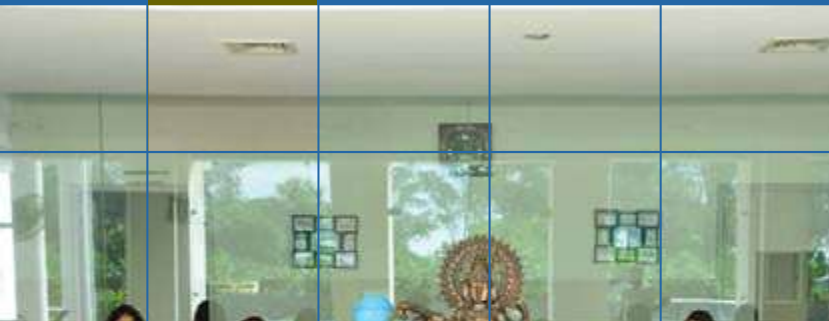

Chain of Stanford & Stankids Schools
Ph.D (Management), M.Ed, M.A (Economics),
M.Sc (Computer Science)

We aim at preserving and enhancing the highest standards of excellence. Stanfordians are carefully sensitized to environment concerns, the feeling of nationalism and communal harmony.

With a wide spectrum of new learning media like computers, visual media research and development educationists, tours and excursion the process of education is undergoing a paradigm shift. Emphasis is given on providing best educational aids and activities which give them an impetus to explore, learn and achieve.

We hold the responsibility of Creating Values, Voice and Vision in our students which is also the motto of our Schools. Our endeavor is not only to provide the right educational environment and to inculcate the right values, in the process of refining and shaping crude metal into a refined product, but to bring about 'fitness' in that product for which we need to pursue a tripolar process, encompassing the teacher, the taught and society at large.

MODERN INFRASTRUCTURE

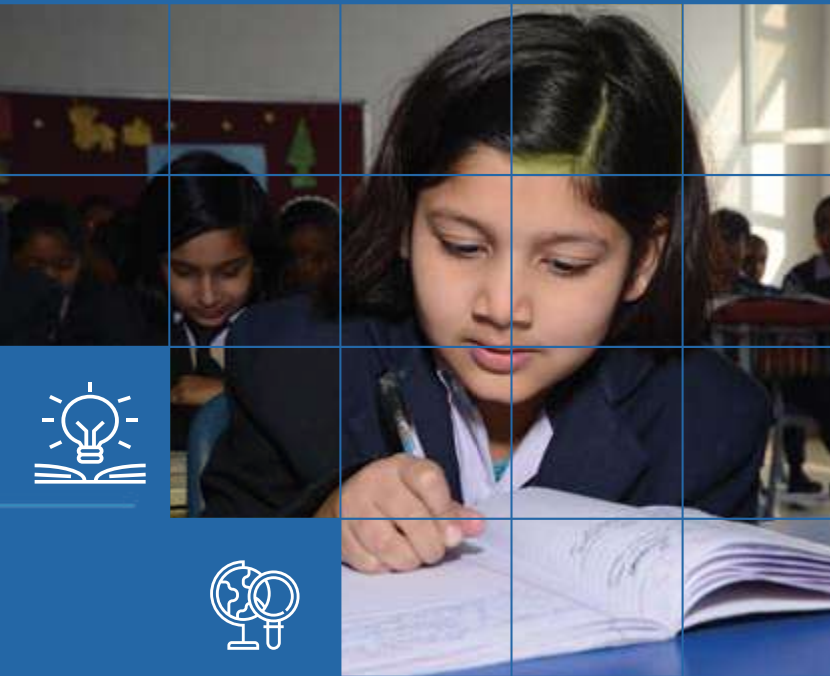

School campus is spread over 8 acre area with 1.25 Lakh Sq.Ft built-up area. The school has well furnished and ventilated class rooms. Every classroom has a display board to show the creativity of students. Classrooms are well equipped with CCTV cameras to monitor the activity of each student, even if the class teacher is not there.

ULTRA MODERN CLASSROOMS

All classrooms are spacious and well equipped to handle audio-visual facilities. Creative modern classroom design plays an important role in learning. The design and amenities are critical in creating an environment that is conducive to learning. We have Air-Conditioned, spacious and well furnished classes.

MODERN LABORATORIES

The school has well equipped Physics, Chemistry, Biology, Computer, Robotics and Language Labs to develop the habit of 'Learning by Doing'.

The school is equipped with a state-of-the-art computer department; Special Internet time for Hostel students to help them keep the pace with the modern world.

MODERN LIBRARY

School has a big and well equipped library with a very large number of books on different subjects along with invaluable reference books which can be consulted in the library itself. A good number of newspaper magazines are subscribed to and kept in the reading room portion of the library. An experienced and qualified librarian helps the students in selecting relevant reading material.

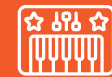

MODERN TRANSPORT

We provide daily transport facility for student's pick and drop. We have a fleet of more than 25 buses plying throughout Delhi NCR. Our school buses are safe, well maintained, child friendly, GPS System and Camera. Each bus is driven by a well trained driver and has the presence of a care giver to escort the child. Provision of cell phones to the conductors facilitates two way communications.

PRE- PRIMARY CLASSES

Our group has specialised team to design curriculum and teaching pedagogy at pre-primary level as we are running 25 Pre-School in 5 States with the name of Stankids. It follows the principle of integrated education. Experienced hands play a major role in nurturing the spirit of exploration and enquiry. Themes in the groups are taken keeping in mind the learning needs of the children. The language curriculum is designed to provide rich experiences in listening, speaking, reading and writing. Children build connections with language, maths and science in their surroundings. To deal with a mathematical concepts, concrete material, relevant situations and games are used. The science curriculum provides opportunities for exploring, experimenting, observing and drawing conclusions.

ART & MUSIC

Art & music is a place where students can develop their self-esteem through involvement in the art making process, having fun as they explore new ideas, materials and techniques. The Art & music room is a well-equipped, spacious, light-filled space that is visually engaging for the students.

MODERN BOARDING

Living accommodation for all our boarders is situated separately for boys and girls. Both houses have a vibrant atmosphere that is warm and friendly. Your ward will share a modern, comfortable bedroom and will be encouraged to personalise their own space with photos, posters and treasures.

SPORTS

ACTIVITIES

Stanford offers its students a chance to learn and excel in a wide variety of sports related activities in 6.5 acres playground. These include Lawn Tennis, Athletics Football, Cricket, Basket Ball, Volley Ball, Badminton, Skating, Yoga, Table Tennis and Chess. There is a dedicated time set aside every day in order to pursue their activities. Students are taught skills of various games and sports under the guidance of experienced physical education teachers. The main aim is to develop not only the physical but also the mental health of the student. The school organizes its sports day to encourage a display of strength, stamina, vigour and sportsmanship.

CELEBRATIONS

AND EVENTS

A delightful blend of music, dance, fun games & drama is what celebrations at Stanford are all about. Celebrations are part & parcel of our school. Programmes are organized from time to time in relevance with festivals and important days in that month.

These celebrations fill everyday with excitement and happiness. These are perfect occasions for teachers & students to unwind their talent in an unfettered manner to their optimal degree of performance.

*"A simple celebration,
a gathering of friends;
here is wishing you great happiness,
a joy that never ends."*
